TESTIMONIAL

We were pleased to have worked exclusively with T ONE CAPITAL for the marketing project of PLUM RANGSIT ALIVE 2 in April 2019 for our foreign quota allocations. You have displayed a fantastic and unique marketing and sales methodology that have achieved 102 units which worth approximately THB 152 million of sales within 1 month. Working with T ONE CAPITAL was our great pleasure and wonderful experience. Through the challenging times of COVID 19, your team have worked closely with us to assist the team and customers for the ownership transfer process during July – October 2020. We would like to take this opportunity to thank you for your excellent support and professionalism.

We are really grateful to tap into your extensive network in Asia and we are looking forward to working with T ONE again in the near future.

Yours sincerely,

Thank you.
